Moving on

~Moving on~

>
I hide behind this lap top
>
So no one can see
>
The lonely boy inside myself
>
Can't know the real me
>
They always look to me for answers
>
Which I gladly give
>
But I wonder what they'd think
>
If they knew the life I live
>
Always feeling lost
>
Like I've been misplaced
>
Like the part of me I used to know
>
was by loneliness replaced
>
And left me here alone
>
With no one to comfort me
>
So the pain could break me down
>
So I'll never be free
>
Of the sorrow that I feel
>
Everyday of my life
>
That's tearing me apart inside
>
Cutting through me like a knife
>
So I can't seem to figure out
>
Just exactly what to do
>
The question is, who am I
>
The answer, I wish I knew
>
So behind my lap top
>
I will sit
>
And hold back my tears
>
And get a grip
>
And never tell them

>
What is wrong
>
And though it's so hard
>
I'll remain strong
>
But part of me
>
Will always cry
>
And though it's hard for me
>
I'll try
>
To forget the pain
>
Deep in my heart
>
And not let that pain
>
Tear me apart
>
So telling myself
>
That I can't fail
>
In this game of life
>
I will prevail
>
And then this pain
>
It will be gone
>
And I know that someday
>
I will move on.
